

Non-Regulated Hire Purchase Agreement

Variable Rate - Balanced Payment

- For body corporates and partnerships of 4 partners or more
- For sole traders and partnerships of 3 or less for business use assets where the amount of credit is over £25,000.00
- For private use assets where the amount of credit is over £60,260.00 for High Net Worth Individuals

In order to ensure that you understand the features of your hire purchase agreement (the “**Agreement**”), we, Mitsubishi HC Capital UK PLC trading as Novuna Business Finance have requested that your broker/introducer provides you with this written overview of the features of hire purchase before you sign the Agreement. Please review this information carefully and consider whether hire purchase is suitable for your purposes.

What is the Finance Product?

This is a balanced payment variable rate hire purchase agreement which means that you get the benefit of predictable fixed monthly amount calculated using a variable interest rate. In order to calculate the predictable fixed monthly amount (referred to as an Instalment), we will apply an assumed fixed interest rate to calculate the fixed monthly payments throughout the term of the hire period and at the end of the term, you will pay an amount that balances out the difference between the assumed fixed interest rate and any increases or decreases in the Bank of England Base Rate that occur throughout the hire period.

At the end of the hire period you have an option to purchase the goods. You will not own the goods until all payments have been made, including the option to purchase fee which is payable with the final instalment payment.

What will I have to pay?

The cost of finance included in the Instalment that you pay is linked to the Bank of England Base Rate.

Your first Instalment will include a documentation fee of £

which will then be followed by the number of Instalments listed below:

No.	Frequency	Instalments	Due Date / Commencing on
		£	
		£	
		£	
		£	
		£	
Followed by an estimated Final Instalment of:			
£		payable on	
Please Note: If this Agreement is terminated early (either by the Customer or by Novuna), then an Early Payment Fee will be payable. Please see clause 10 for details.			

The Instalments are the same amount each month.

The estimated interest rate used to calculate the predictable Instalment may be different than the actual interest rate which we will use to calculate the amount of the total actual Instalment payments that will accrue over the term of the Agreement. We will calculate the actual Instalment by multiplying the amount you owe us by an interest rate equal to the sum of the Bank of England Base Rate and our margin. The total amount you will have to pay will vary depending on movements in the Bank of England Base Rate over the term of the hire purchase agreement. If the Bank of England Base Rate is higher than the estimated assumed base rate over the term of the hire purchase agreement, the Final Instalment you will have to pay will be higher, however if the actual Bank of England Base Rate over the term is lower, your Final Instalment will be lower than the estimated Final Instalment set out in the Agreement.

Each month we will compare the actual vs estimated amount of interest included in the Instalment payment. If the actual amount of interest is more than the estimated amount of interest, we will add the shortfall amount of interest to the amount that you owe us and you will pay interest on that amount (i.e. the interest will be capitalised) together with the amount that you owe us. Similarly, if the actual amount of interest is less than the estimated amount of interest paid, we will deduct the excess amount from the amount that you owe us.

The total estimated interest payable (calculated at the assumed fixed base rate) is described as “Finance Charges” in the table set out on Page 1 of the Agreement.

You must maintain the goods and keep them in good working order. Charges may apply for any damage to the goods that is outside of normal fair wear and tear.

What happens if I miss or make late payments?

If you fail to pay any amount owed under the Agreement, we will share this information with the credit reference agencies, which could make it more difficult for you to obtain credit in the future. Missing payments could lead to the goods being repossessed and legal action being taken against you. You may have to pay the costs of such proceedings.

What happens if I change my mind?

Once signed, you will not have the right to cancel the Agreement.

Can I make a prepayment?

You may prepay all or some of the amounts owed under the Agreement at any time. Upon receipt of such amount, the remaining Instalment will be recalculated to reflect the payment of such amount. Alternatively you have the option to pay the same amount and shorten the term. An Early Payment Fee, calculated based on the table below, is payable.

Date of Prepayment or Repayment	Percentage of the Prepayment or Repayment Amount
up to 15 months	3%
between 16 to 30 months	2%
from 31 months plus	1%
Final Instalment	0%

Can I Repay my Agreement Early?

You may repay the Agreement early in full at any time. On request, we will provide you with details of the amount required to repay the remaining amounts owed which will include:

- all amounts due up to the date of repayment;
- a sum equal to the remaining amount outstanding; and
- an early payment fee calculated based on the table above.

Will the Credit Broker/Intermediary be paid a commission?

If you were introduced to Novuna by a broker or credit intermediary (the Broker), we will pay them a commission for the introduction, the Broker has discretion to determine the total amount received by adjusting the interest rate and other fees within set parameters which make up the total cost of credit. The Broker will confirm to you the total amount of commission received when asked.

Who can I contact to ask questions.

If you have any questions please ask the Broker or contact Novuna Business Finance on 01784 227333 or CustomerService@novunabusinessfinance.co.uk or write to us at Novuna House, Thorpe Road, Staines-Upon-Thames, Surrey, TW18 3HP.

The FLA recommend that customers taking out business finance agreements follow these steps:

1. Read your business finance agreement carefully before signing it. Never sign a business finance agreement which is not fully complete. Retain copies of all documentation.
2. Ensure that the final contract:
 - (a) corresponds with any verbal or written quotation on the rental amount and period of hire;
 - (b) accurately reflects what you are agreeing to pay for, including any maintenance or services included in the repayments; and
 - (c) accurately describes the equipment you are expecting to receive (e.g. whether it is new or used) and that its working life is appropriate to the length of the finance agreement.
3. Make it clear who has the authority within your own organisation to sign the agreement.
4. Make sure you understand and agree with all terms and conditions of the business finance agreement and, if you are unsure, ask for these to be explained or seek advice.
5. Make sure you understand all the costs involved and whether these will change during the course of the business finance agreement.
6. Check that the supplier of the equipment is reputable.
7. Understand whether there are any notice period or settlement terms required to terminate the agreement.
8. If there is a maintenance or service contract which is separate to the finance agreement, check that the length, start date, notice period and settlement terms of the two agreements is the same, and if not, that you are happy with this.
9. If the name of the leasing company contracting with you is not shown on the agreement, ensure that you are informed at the earliest possible time.
10. Check whether the funder is a member of the FLA, as all asset finance members adhere to the FLA Business Finance Code.
11. If any amendments are made to the business finance agreement or a further agreement is required to replace an existing agreement, do not sign it until you have made the same checks as you did for the original agreement.
12. If a new business finance agreement includes an element of refinancing from a previous agreement with a different provider, check that the settlement figure provided by the former provider matches the refinancing figure used by the new provider.

Hire Period means months commencing on the Date of the Agreement

The Customer will repay Novuna the Balance Financed by paying Novuna each Instalment (which includes an estimate of the interest payable, calculated daily using the sum of the Margin and the Assumed Base Rate as further described below) and the Final Instalment on the dates set out in the table below or on such other date as may be notified by Novuna from time to time.

The total estimated monthly interest payment for the Hire Period is described as "Finance Charges" and is set out in the table on Page 1.

Interest Rate

Interest included in the Instalment will be calculated daily and will accrue during each Interest Period on the Balance Financed at a percentage rate per annum which is the sum of the:

- (a) Margin of _____% and
- (b) Actual Base Rate.

Assumed Base Rate

The Actual Base Rate may increase or decrease over the Hire Period and the amount of interest included in the Instalment and payable by the Customer will increase or decrease accordingly. Notwithstanding that the amount of interest may increase or decrease, this Agreement provides that, other than the Final Instalment, the Customer shall pay the same amount each month and for such purpose, Novuna will use an

Assumed Base Rate of _____% per annum plus the Margin to calculate the estimated monthly interest payments included in the Instalment.

Balance Financed Adjustment for Capitalised Interest and Interest Overpayment

On the last day of each Interest Period, Novuna will compare the accrued actual monthly interest with the estimated monthly interest included in the Instalment and if the accrued actual monthly interest is:

- (a) less than the estimated monthly interest, the Balance Financed will be reduced by such amount; or
- (b) more than the estimated monthly interest, the Balance Financed will be increased by such amount.

Calculation and Payment of the Final Instalment

On the due date for payment of the Final Instalment, the Customer will pay Novuna the estimated Final Instalment set out above as adjusted in accordance with the Balance Financed Adjustment referred to in the paragraph above.

5. Goods and Exclusion of Liability

5.1 Where the Customer is dealing as a consumer, as defined by the Unfair Contract Terms Act 1977:

- (a) Novuna will sell the Goods subject to the terms implied by sections 9, 10, 13 and 16 of the Consumer Rights Act 2015, but not subject to any other condition, warranty or representation, express or implied;
- (b) no provision contained in this Agreement shall affect the Customer's statutory rights; and
- (c) the Customer acknowledges that the Supplier of the Goods is not Novuna's agent and does not have any authority to make any representation or give any warranty concerning the Goods on Novuna's behalf.

5.2 Where the Customer is not dealing as a consumer as defined by the Unfair Contract Terms Act 1977, the Customer and Novuna both recognise that there is always a risk that the Goods will not perform as the Customer requires. The Goods have been selected by the Customer from a Supplier of the Customer's choice and the Customer acknowledges that Novuna has no knowledge about the condition, quality or the suitability of the Goods for the purpose that the Customer wishes to use the Goods for. Accordingly, it is agreed that this risk should be carried by the Customer, and the Customer and Novuna both agree as follows:

- (a) the Customer warrants that where the Customer is hiring a business use asset, they are entering into this Agreement and will use the Goods for the purposes of their business;
- (b) the Customer acknowledges that the Supplier is not Novuna's representative or agent, and has no authority to make any representation on their behalf including, but not limited to the giving of any warranties regarding the condition and/or use of the Goods;
- (c) the Customer acknowledges that the Basic Instalments which the Customer will pay have been calculated by Novuna on the assumption that they will not be liable for such condition and use;
- (d) the Customer accepts that they must obtain any warranties relating to the Goods that the Customer requires direct from the Supplier;
- (e) in the circumstances, the Customer agrees that it is reasonable for Novuna to exclude/limit Novuna's liability in respect of the condition and/or use of the Goods as follows:
 - (i) Novuna does not give any express warranties in relation to the Goods and Novuna will not be liable in respect of any implied terms or warranties regarding the description, quality, fitness for purpose, suitability or performance of the Goods (save to the extent that Novuna is unable in law to exclude such liability); and
 - (ii) the Customer will compensate Novuna for any loss, charge or claim which arises directly or indirectly from its use and/or possession of the Goods (save for personal injury or death caused by Novuna's negligence);
- (f) furthermore, if it transpires that the Customer has (or, but for the operation of this clause 5.2 would have had) any claim against Novuna in respect of the condition and/or use of the Goods, then Novuna may (at Novuna's discretion) arrange for the benefit of any similar claim that Novuna may have against the Supplier in respect of Novuna's purchase of the Goods to be transferred to the Customer, and such transfer will satisfy any claim that the Customer may have against Novuna; and
- (g) The Customer acknowledges and agrees:
 - (i) that the provisions of this clause 5.2 are reasonable, in that they are intended to put the Customer into the position that the Customer would have been in had the Customer purchased the Goods direct from the Supplier; and
 - (ii) that it is unreasonable to expect Novuna to bear the risk of non-performance of the Goods that the Customer sourced from the Supplier of the Customer's choice, simply because Novuna has financed the Customer's use of the Goods; and

(iii) notwithstanding the above, if and to the extent that any of the above provisions are ineffective to exclude Novuna's liability, it is agreed by the Customer that:

- (A) Novuna will in no circumstances be liable for any loss of revenue, savings or profit, nor for any loss of use/ value of the Goods, nor for indirect/consequential losses; and
- (B) in respect of any other loss, Novuna's liability will be limited to the lesser of the cost of repairing the Goods, its diminution in value or the total of the Instalments due under this Agreement.

6. Care of the Goods

- 6.1 The Customer will maintain the Goods (at the Customer's expense) in full working order and condition. The Customer is responsible for all maintenance of the Goods in accordance with the recommendations of the Supplier or manufacturer of the Goods. If any component is lost or damaged, the Customer will replace it with parts of equal standard and quality to the original components.
- 6.2 The Customer will use the Goods properly and comply with any guidelines issued by the Supplier and manufacturer. The Customer must not use the Goods for any unlawful purpose. If relevant, the Customer is responsible for connection and disconnection of the Goods.
- 6.3 The Customer will not allow the Goods to be used for the purpose of racing, rallying or any form of competition, pace making, reliability trials, speed testing, and unless otherwise approved, towing or driving tuition.
- 6.4 If any tracking or location device is installed or supplied with the Goods which allows the Customer or any other person to locate any of the Goods then the Customer agrees that they will hold the benefit of any agreement for (and all rights relating to) the tracking device on trust for Novuna and authorise Novuna to exercise all of their rights in relation to or under the same. Novuna may produce this clause 6.4 to evidence its entitlement to exercise all or any of such rights and the Customer agrees to provide all such other confirmations or authorities as Novuna may require to evidence Novuna's entitlement to the same on request.
- 6.5 The Customer will keep the Goods at the Location and the Customer must not take the Goods outside the United Kingdom without Novuna's prior written consent, provided that if the Goods are vehicles then the Customer may use the Goods in the European Union ("Permitted Area") for 21 consecutive days at a time. The Customer will obtain and maintain in force at all relevant times all licences and permissions required to operate the vehicles lawfully in the Permitted Area. The Customer will ensure that the insurance covers the use of the vehicles in the Permitted Area. If the Customer wishes to change the Location, the Customer must first obtain Novuna's written consent.
- 6.6 The Customer will not part with possession of the Goods or any part of it; sell, sub-hire, assign or charge the Goods or the benefit of this Agreement; create or permit any lien or any other encumbrance on the Goods; interfere in any way with any name plate or identification mark on the Goods, or make any alterations or modifications to the Goods, without first obtaining Novuna's written consent.
- 6.7 The Customer will allow Novuna and any persons Novuna may authorise to inspect the Goods from time to time and/or to place a name plate or other mark on the Goods identifying Novuna as owner of it, and to enter the property where the Customer keep the Goods for those purposes.
- 6.8 The Customer will promptly pay all rents, rates, taxes, duties, fines and levies and any other sums in connection with the Goods.
- 6.9 The Customer will maintain, where appropriate, any operator's or similar licences throughout the hiring of the Goods, and comply with all laws and regulations in relation thereto.
- 6.10 The Customer is responsible for all loss and damage to the Goods (except fair wear and tear) even if caused by acts beyond the Customer's control.
- 6.11 The Customer shall indemnify Novuna and keep Novuna indemnified on demand against all losses, charges, claims and expenses directly or indirectly incurred by Novuna in respect of any loss or damage caused to or by the Goods at any time prior to the Goods being returned to Novuna.

7. Insurance

- 7.1 The Customer will insure the Goods for full replacement value against all risks under a fully comprehensive policy (with Novuna's interest noted on the policy). The Customer will indemnify Novuna against any uninsured loss or damage resulting from the Customer's failure to comply with the terms of this clause.
